Greetings Sisters and Brothers,

How does our Fond du Lac community identify with Church of Peace United Church of Christ? Are we the "God Is Still Speaking" church? Are we the "All Are Welcome Here Church? Or perhaps we are the "A Just World For All" church. We may also be known as the "Loaves and Fishes" church or the "Warming Shelter" Church. We might be a food pantry to some or a place to get help with rent or utilities. We could also be the location where ADVOCAP provides a GED/HSED program. We might also be known as one of the free lunch locations on Tuesdays and Thursdays.

There are other ways people have seen us over the past 150 years. But what is most important about how people identify with Church of Peace United Church of Christ is that we are a church that lives the gospel of Jesus Christ. We live in the Good News of salvation and that news shapes us as individuals and as a community of God. Therefore, we live by moving in a direction toward the community formed by early Christians.

"All the believers were one in heart and mind. No one claimed that any of their possessions was their own, but they shared everything they had. With great power the apostles continued to testify to the resurrection of the Lord Jesus. And God's grace was so powerfully at work in them all that there were no needy persons among them. For from time to time those who owned land or houses sold them, brought the money from the sales and put it at the apostles' feet, and it was distributed to anyone who had need" (Acts 4:32-35).

It sounds like such a simple life of love and sharing, and we must recognize that it is a life of conscious decisions which places great importance on the needs of the many, on the needs of the few and on the needs of the one. It is a life of sacrifice and a life of great joy in the presence of God. I hope the Fond du Lac community identifies with Church of Peace United Church of Christ as all the identities above and more. A church that loves our God above all things and therefore, loves our neighbor, our visitor, and yes, our enemy as we love ourselves.

Thank you my Sisters and Brothers for being who you are, *The Church of Peace United Church of Christ*—the "God Is Still Speaking" "All Are Welcome Here" "A Just World For All" and the much more church in Fond du Lac, Wisconsin.

I hope that you all have a spectacularly safe 4th of July and the month of July. I hope we see you often this month as we continue our journey with Jesus together.

Grace and peace, Pastor Steve

Historical Corner
Mary Strauss, Historian

In 1983 Rev. Martin Koehler was to begin his Doctoral Studies and asked for the Council's approval. He wanted to enroll in a program being offered by the McCormick Theological Seminary. The 3-yr. course in "Parish Revitalization" began January 31st and involved nine courses -- 3 each year through 1985 -- and a 2-week residence at McCormick located in Chicago, IL, during the summer of the second year.

All courses were offered at Pilgrim Conference Center at Green Lake, WI, and necessitated his being away Monday-Friday for each course.

The schedule of courses reported so far in 1983 by Council President, Ginny Boyke was:

Jan. 31- Feb. 4, April 25- 29, Sept. 12-16, Jan. 30 - Feb. 3 1984, July 2 -13 at McCormick Seminary.

The remaining four electives were yet to be determined.

Approximately 16 ministers from Wisconsin were enrolled in the program, several from the United Church of Christ, and others from the Presbyterian Church, which sponsors the Seminary. They currently in 2023 have had 189 graduations since they were founded in 1829, with Rev. Martin Koehler being one of the 215 Postgraduates.

The cost of the degree was about \$3,500, which was born by Rev. Martin. There was no cost to the congregation. When it was completed, he was able to add "Dr." to his title.

FROM OUR COUNCIL PRESIDENT

Greetings,

Coming from your Church Council President things are looking very good. I want to thank you all for the May Match on the Building to Serve campaign. We are happy the principal is going down. We are making strides.

We have taken some of the Special Funds money and we have made some investments. This was done to help the church for the long term financial needs.

Deb and myself would like to share some of our experience of the Annual Church Conference that we attended on June 9-11. We both had a great time. We met a lot of UCC members from all over the state. Our message for everyone is "Change don't fight, it embrace it". I believe our faith is stronger. We learned what some other churches are doing and that gave us some ideas that may help us in the future.

Your Church Council are working hard to make us better and stronger together. If you need anything or have any concerns or would just like to talk our numbers are listed above.

Blessings Victor
